18.1421 Internal control in management of state's financial transactions; powers of director; accounting principles.

Sec. 421. (1) In order to establish strong internal control in the management of the state's financial transactions, the director may do any of the following:

(a) Issue directives for the accountability, custody, periodic inventory, and maintaining departmental records of the real and personal property and supplies and materials of the state.

(b) Issue directives relative to the formulation and control of a state central accounting system.

(c) Monitor, approve or disapprove, and assist in the development and enhancement of agency accounting systems. When assistance is provided, the state agency shall be interaccount billed for the cost of the services provided. The director shall issue directives to implement this subdivision.

(d) Examine, directly or by the director's representative, each proposed payment from the state treasury as will enable the director to certify to the state treasurer that the proposed payment is correct, for the discharge of a state liability or for some other purpose authorized by law, within the scope of the appropriation to which charged, and is not in excess of the unexpended or unencumbered balance of the appropriation. Except for investment transactions and refund of taxes, a payment shall not be made from the state treasury except upon certification of the director.

(e) Issue directives for the refund to payers of money which has been deposited in the state treasury through misunderstanding, inadvertence, or mistake and to which the state does not have a claim. The refunds shall be made pursuant to the directives except as otherwise provided in this act.

(f) Issue directives providing for and governing the establishment, the proper uses of, and accounting for imprest and petty cash funds by state agencies. An imprest or petty cash fund shall not exceed the monetary limit approved by the board.

(g) Prepare and publish a comprehensive annual financial report at the close of each fiscal year which clearly reflects the financial position of the state funds at the close of the fiscal year.

(2) If there is a conflict between generally accepted accounting principles, the principles adopted by the governmental accounting standards board, or its successor, shall be used. Changes in generally accepted accounting principles which require budgetary revisions shall be incorporated not later than the next executive budget after the change is issued. The director shall issue directives to incorporate any changes, additions, and rescissions made to the generally accepted accounting principles as they affect the accounting of state government. If an item is not covered by an existing generally accepted accounting principle, the director shall issue a directive which shall not be effective until 30 days after the directive is reported to the appropriations committee and the auditor general.

(3) The department shall not change an accounting principle, or the application of an accounting principle, from that which was followed in the preceding fiscal year if the change will materially affect the final year-end balance of an appropriated operating fund, unless the change in the accounting principle or the application of the accounting principle is reported to the senate and house appropriations committees not later than 120 days after the end of the fiscal year for which the change is to be implemented. However, the 120-day notice requirement shall not apply to a change in an accounting principle or the application of an accounting principle which is implemented to conform with requirements promulgated by the governmental accounting standards board, or its successor.

18.1447 Scorecard; metric categories; definitions.

Sec. 447. (1) Each fiscal year, by the deadline established in section 363 for the governor to submit a budget to the legislature, each department shall have a strategic mission, vision, goals, and a balanced scorecard in place. The scorecard shall include at least 1 existing metric or establish at least 1 new metric for each 1-time or ongoing enhancement budget recommendation. Each metric shall be in 1 of the following categories:

- (a) Customer service.
- (b) Financial.
- (c) Internal business process.
- (d) Learning and growth.
- (2) As used in this section:

(a) "Balanced scorecard" means a management tool that allows managers to lead through monitoring the performance of an organization on the few but vital set of activities and measures that drive enterprise success. It focuses not just on financial dimensions but also other vital areas such as employees, customers, processes, and any other area crucial to the success of the organization.

(b) "Customer service metric" means a standard that measures the value received from the citizen perspective and the scale and quality of the service.

(c) "Financial metric" means a standard for quantifying the amount that the strategy, implementation, and execution of an enhancement budget recommendation is contributing to the bottom line.

(d) "Internal business process metric" means a standard that measures how well business processes are structured or organized to meet citizen service expectations.

(e) "Learning and growth metric" means a standard that measures how well the people, technology, and climate support the strategy of the enhancement.

18.1448 Expenditure of state funds; availability of information on website homepages; "expenditure of state funds" defined.

Sec. 448. (1) The department shall issue directives requiring all state agencies to provide the department with, and to make available through a link on their website homepages, all of the following information regarding the expenditure of state funds:

- (a) The name of the entity receiving the funds.
- (b) The amount of state funds.
- (c) The funding state agency.
- (d) A descriptive purpose of the funding action or expenditure.
- (e) Any other information required by the department.
- (2) Not later than January 1, 2013, the department shall develop and operate a searchable website

accessible by the public at no cost to access the information provided in subsection (1).

(3) Nothing in this section shall require the disclosure of information that is considered confidential by state or federal law.

(4) As used in this section, "expenditure of state funds" means an expenditure of appropriated or nonappropriated funds processed through the state's central accounting system by an executive branch agency that includes, but is not limited to, all of the following:

- (a) State purchases.
- (b) Contracts and subcontracts.
- (c) Grants.

18.1451 Lapse of unencumbered balance of appropriation; unascertainable documents; charging encumbrance to next succeeding fiscal year.

Sec. 451. (1) At the close of the fiscal year, the unencumbered balance of each appropriation shall lapse to the state fund from which it was appropriated. A document which is not ascertainable before the cutoff date set by the director may be charged against a current year's appropriation if the chief accounting officer determines that the state agency was not willful in its failure to ascertain or record the document and if the amount of the payment would not have exceeded the unencumbered balance of the applicable appropriation in the prior fiscal year.

(2) An encumbrance entered into within 15 days before the end of the fiscal year and outstanding at the close of the fiscal year is not a charge against that fiscal year but is charged to the next succeeding fiscal year.

18.1451a Work projects.

Sec. 451a. (1) Except as provided in section 248, a work project appropriation continues to be available until completion of the work or 48 months after the last day of the fiscal year in which the appropriation was originally made, whichever comes first, then the remaining balance lapses to the state fund from which it was appropriated. For work projects established before the effective date of the amendatory act that added this section, the 48-month time period described in this subsection begins on the last day of the fiscal year in the year the amendatory act that added this section takes effect. To be designated as a work project, a work project shall meet all of the following criteria:

- (a) The work project shall be for a specific purpose.
- (b) The work project shall contain a specific plan to accomplish its objective.
- (c) The work project shall have an estimated completion cost.
- (d) The work project shall have an estimated completion date.

(2) The director has the authority to issue directives to lapse existing work project accounts at any time. The director shall notify each member of the senate and house appropriations committees and the fiscal agencies of work projects that the director has ordered to lapse. These directives may be disapproved by either the senate or house appropriations committee within 30 days after the date of notification and, if disapproved within that time, shall not be effective.

(3) Not later than 45 days after the conclusion of the fiscal year, the director shall notify the senate and house appropriations committees and the fiscal agencies of appropriations proposed to be designated as work projects in accordance with the definition contained in this act. These designations may be disapproved by either appropriations committee within 30 days after the date of notification and, if disapproved within that time, shall not be effective. The notification shall include an estimate of the dollar amount of the funds to be designated as work projects and a description of all work projects designated in an appropriations act.

(4) Not later than 120 days after the conclusion of the fiscal year, the director shall prepare and deliver to the senate and house appropriations committees and the fiscal agencies a report that summarizes current work project accounts. This report shall contain a listing of all work project accounts, the balance in each account, the amount of funds that lapsed from any previously designated work projects, and the funds that received these lapses.

18.1454 Appropriation of full-time equated positions; basis; report on status of FTE positions; report containing fiscal year summary of information required in subsection (2).

Sec. 454. (1) Each budget act shall appropriate full-time equated positions based on 2,088 hours for 1.0 FTE position.

(2) Before the end of each quarter, the department of civil service shall provide a report to the department, the appropriations committees, and the fiscal agencies regarding the status of FTE positions for the preceding quarter. The quarterly report shall include, but shall not be limited to, the following information:

(a) The number of FTE positions, by department, on the last payroll for the preceding quarter.

(b) The increase or decrease in FTE positions, by department, compared to the last quarterly report.

(c) The difference between the appropriated FTE positions, and the actual number of FTE positions, by department, for that quarter.

(d) Summary totals for the information listed in subdivisions (a), (b), and (c).

(3) The department of civil service shall provide a report to the appropriations committees and the fiscal agencies by December 1 of each year, which shall include a fiscal year summary of the information required in subsection (2) for the most recently completed fiscal year.

18.1455 Appropriations for unclassified positions; use; eligibility of incumbents of unclassified positions to participate in state contributory insurance and longevity programs; prior years' service as classified employee in determining amount of longevity payment; use of appropriations for salaries and wages; payment of back salaries or wages.

Sec. 455. (1) The appropriations made under a budget act for unclassified positions as specified by a line item appropriation shall only be used for those positions.

(2) Incumbents of unclassified positions in the executive branch of state government, the legislative auditor general's office, and judicial officers whose total compensation is payable by the state and who are not eligible to receive additional compensation from a county, township, or municipal governmental unit of this state pursuant to the state constitution of 1963 or state law, are eligible to participate in the state contributory insurance and longevity programs on the same basis as classified employees. Prior years' service as a classified employee shall be included in determining the amount of the longevity payment.

(3) The appropriations for salaries and wages shall be used only with respect to classified positions established by the civil service commission and to special personal service employees hired with approval of the department of civil service. Money appropriated in a budget act shall not be used to pay back salaries or wages to an employee, except for the purpose of paying appropriately authorized retroactive gross pay adjustments to an employee with an effective date prior to October 1 of the fiscal year in which the approval was given.

18.1460 Indirect cost rate or percentage; determination; report; request for appropriations of federal funds not to include funds for indirect costs; charging indirect cost to award, contract, or grant; crediting indirect cost; availability of revenues.

Sec. 460. (1) A state agency shall determine what the indirect cost rate or percentage is for that state agency and shall report that indirect cost rate or percentage to the department, the appropriations committees, and the fiscal agencies. A state agency's request for appropriations of federal funds shall not include funds provided for indirect costs.

(2) A state agency which has received an award, contract, or grant shall charge the applicable indirect cost to that award, contract, or grant. The indirect cost shall be credited as revenue to the respective state funds to offset state expenditures for support services for which indirect costs were provided. These revenues shall be available to meet the required 1% payment to the civil service commission as set forth in section 5 of article XI of the state constitution of 1963, as it applies to salaries and wages funded from federal revenues.

18.1461 Audit pursuant to federal law; single audits; conduct; funding; encumbering amounts to finance cost of audits; carrying over unexpended amounts; schedule of expenditures of federal awards.

Sec. 461. (1) Each audit performed pursuant to 31 USC 7501 to 7507 shall be conducted by an independent auditor in accordance with generally accepted government auditing standards. Single audits for this state shall be conducted in accordance with 31 USC 7501 to 7507 by the auditor general or an independent accounting firm selected by the auditor general. For fiscal years beginning October 1, 1985 and through September 30, 2011, biennial audits of state departments and agencies shall be performed for purposes of complying with the requirements of 31 USC 7501 to 7507 pertaining to audit evaluation of the internal controls of this state and the state's compliance with material features of laws and regulations related to major federal assistance programs. For fiscal years beginning October 1, 2011 and each fiscal year thereafter, an annual statewide single audit shall be performed for purposes of complying with the requirements of 31 USC 7501 to 7507 pertaining to audit evaluation of the internal controls of this state and the state's compliance with material features of laws and regulations related to major federal assistance programs.

(2) For fiscal years beginning October 1, 1985 and through September 30, 2011, the funding for single audits shall be from the respective federal grants audited, in accordance with 31 USC 7501 to 7507. For fiscal years beginning October 1, 2011 and each fiscal year thereafter, funding for the statewide single audit shall be allocated to federal programs based on a methodology determined by the director that is in accordance with

federal compliance requirements. The chief executive officer of each principal department shall ensure that sufficient amounts are encumbered from the appropriate federal grants to finance the cost of the audits. Any unexpended amounts of encumbered funds may be carried over into succeeding years to cover the cost of the single audits.

(3) The director, in consultation with the auditor general, shall issue directives to all state agencies concerning the procedures and timelines for compiling the schedule of expenditures of federal awards and all other information required for the statewide single audit. The director shall submit the schedule of expenditures of federal awards to the auditor general and the fiscal agencies.

18.1470 Procurement contract for services; audit of vendor to verify compliance; provision; availability; exemption; "auditor general" defined.

Sec. 470. (1) Beginning January 1, 2013, if a state agency enters into a procurement contract for services, the contract shall provide that the department or its designee may audit the vendor to verify compliance with the contract. The financial and accounting records associated with the contract shall be made available to the department or its designee and the auditor general, upon request, during the term of the contract and any extension of the contract and for 3 years after the later of the expiration date or final payment under the contract. The department and its designee shall not audit any matters outside the scope of the individual contract unless there is a separate constitutional or statutory basis for that audit.

(2) Beginning January 1, 2013, if a person receives a grant of state funds, the person shall agree to allow the department or its designee to audit the person to verify compliance with the terms of the grant. The person shall also agree that the financial and accounting records associated with the grant shall be made available to the department or its designee and the auditor general, upon request, during the term of the grant and any extension of the grant and for 3 years after the later of the expiration date or final payment under the grant. The department and its designee shall not audit any matters outside the scope of the individual grant unless there is a separate constitutional or statutory basis for that audit.

(3) Proprietary financial and accounting data and records associated with the contract or grant shall be exempt from disclosure under the freedom of information act, 1976 PA 442, MCL 15.231 to 15.246.

(4) Nothing in this section shall limit the constitutional or statutory authority of the auditor general.

(5) As used in this section, "auditor general" means the auditor general or a certified public accounting firm selected by the auditor general to conduct the audit.

18.1485 Internal accounting and administrative control system; establishment and maintenance; elements; duties of head of principal department; reports.

Sec. 485. (1) The department head of each principal department shall establish and maintain an internal accounting and administrative control system within that principal department using the generally accepted accounting principles as developed by the accounting profession and in conformance with directives issued pursuant to section 141(d).

(2) Each internal accounting and administrative control system shall include, but not be limited to, all of the following elements:

(a) A plan of organization that provides separation of duties and responsibilities among employees.

(b) A plan that limits access to that principal department's resources to authorized personnel whose use is required within the scope of their assigned duties.

(c) A system of authorization and record-keeping procedures to control assets, liabilities, revenues, and expenditures.

(d) A system of practices to be followed in the performance of duties and functions in each principal department.

(e) Qualified personnel that maintain a level of competence.

(f) Internal control techniques that are effective and efficient.

(3) Each head of a principal department shall document the system, communicate system requirements to employees of that principal department, assure that the system is functioning as prescribed, and modify as appropriate for changes in condition of the system.

(4) The head of each principal department shall provide a biennial report on or before May 1 of each odd numbered year prepared by the principal department's internal auditor on the evaluation of the principal department's internal accounting and administrative control system to the governor, the auditor general, the senate and house appropriations committees, the fiscal agencies, and the director. For the period reviewed, the report shall include, but not be limited to, both of the following:

(a) A description of any material inadequacy or weakness discovered in connection with the evaluation of the department's internal accounting and administrative control system as of October 1 of the preceding year and the plans and a time schedule for correcting the internal accounting and administrative control system, described in detail.

(b) A listing of each audit or investigation performed by the internal auditor pursuant to sections 486(4) and 487.

18.1486 Internal auditor; appointment; member of state classified executive service; supervision; protection; duties; professional and auditing standards.

Sec. 486. (1) Each principal department shall appoint an internal auditor. Each internal auditor shall be a member of the state classified executive service.

(2) Except as otherwise provided by law, each internal auditor shall report to and be under the general supervision of the department head.

(3) A person may not prevent or prohibit the internal auditor from initiating, carrying out, or completing any audit or investigation. The internal auditor shall be protected pursuant to the whistleblowers' protection act, 1980 PA 469, MCL 15.361 to 15.369.

(4) The internal auditor of each principal department shall:

(a) Receive and investigate any allegations that false or misleading information was received in evaluating the principal department's internal accounting and administrative control system or in connection with the preparation of the biennial report on the system.

(b) Conduct and supervise audits relating to financial activities of the principal department's operations.

(c) Review existing activities and recommend policies designed to promote efficiency in the administration of that principal department's programs and operations as assigned by the department head.

(d) Recommend policies for activities to protect the state's assets under the control of that principal department, and to prevent and detect fraud and abuse in the principal department's programs and operations.

(e) Review and recommend activities designed to ensure that principal department's internal financial control and accounting policies are in conformance with the department of management and budget accounting division directives issued pursuant to sections 421 and 444.

(f) Provide a means to keep the department head fully and currently informed about problems and deficiencies relating to the administration of that principal department's programs and operations and the necessity for and progress of corrective action.

(g) Conduct other audit and investigative activities as assigned by the department head.

(5) Each internal auditor shall adhere to appropriate professional and auditing standards in carrying out any financial or program audits or investigations.

18.1487 Internal auditor; reports; plan to correct problems, abuses, or deficiencies; public disclosure of information.

Sec. 487. (1) Each internal auditor shall report immediately to the department head if the internal auditor becomes aware of particularly serious or flagrant problems, abuses, or deficiencies relating to the administration of programs or operations of that principal department or its state agencies. If criminal activity is suspected, the department head shall immediately submit a report to the governor, attorney general, and the auditor general in accordance with reporting requirements established pursuant to section 484.

(2) Within 60 days after the receipt of a report filed pursuant to subsection (1), the department head shall submit a plan to correct the problems, abuses, or deficiencies to the director. Within 30 days after the receipt of the plan to correct, the director shall submit copies of the plan to correct to the auditor general and the senate and house appropriations committees.

(3) This section shall not be construed to authorize the public disclosure of information which is part of an ongoing criminal investigation or which is specifically prohibited from public disclosure by any other provision of law.

18.1492 Including financial statements in comprehensive annual financial report; responsibility; statement format; audit; submission of statements.

Sec. 492. The financial statements of all state agencies, as defined by generally accepted accounting principles as falling within the reporting responsibility of the state, shall be included in the comprehensive annual financial report of the state. The director shall designate and notify each state agency of this responsibility as well as describe the statement format that shall be followed by each agency so notified. The statements provided shall be followed by each state agency so notified. The statements provided shall be audited as provided by law or by the auditor general or independent auditors selected by the auditor general before submission to the department of management and budget and shall be submitted not later than 90 days following the close of the state's fiscal year.

18.1494 Comprehensive annual financial report; publication; preparation of financial statements; certificates of examination; disclosure of budgetary basis; deviation from generally accepted accounting principles; establishment and use of capital outlay reserve.

Sec. 494. (1) Within 6 months after the end of the fiscal year, the director shall publish a comprehensive annual financial report which shall conform as nearly as practicable to established governmental reporting standards. The financial statements shall be prepared in accordance with generally accepted accounting principles and shall contain certificates of examination by the auditor general and any other independent auditor the auditor general may assign. The comprehensive annual financial report and the 120-day report shall contain disclosures of the budgetary basis if different from statements prepared under generally accepted accounting principles.

(2) A deviation from generally accepted accounting principles shall not be made unless authorized by statute. A deviation which is being employed at the time this act takes effect may continue until the deviation is corrected and accounted for on the basis of generally accepted accounting principles.

(3) When the state budget director determines that sufficient revenues exist, a capital outlay reserve shall be established. After a capital outlay reserve is established, the capital outlay reserve shall not be used to balance any deficit.

18.1497 Itemized statement of state spending paid to units of local government and total state spending from state sources; transmittal; calculation of spending proportion; publication of report; reporting amount of additional payments; payment of amount; making up shortfall in payments.

Sec. 497. (1) The director shall transmit to the auditor general for review and comment, not later than May 31 of each year, an itemized statement of the state spending paid to units of local government and total state spending from state sources for the fiscal year in which this act takes effect, and each fiscal year thereafter, including a calculation of the proportion of state spending paid to units of local government to total state spending from state sources. The report shall be published by submission to the legislature not later than June 30 of each year.

(2) If the proportion calculated pursuant to subsection (1) is less than required by section 349, the statements required by this section shall report the amount of additional payments to units of local government which would have been necessary to meet the requirements of section 349. This amount shall be payable to units of local government not later than in the fiscal year following the fiscal year in which the deficiency in payments to units of local government was ascertained and reported to the legislature.

(3) Any appropriations to the fund which are intended to make up a shortfall in payments to units of local government for a prior fiscal year shall not be considered as state spending from state resources or as state payments to units of local government in the fiscal year in which the amounts are appropriated.

18.1499 Closing schedule; procedural directives; appropriation transfer; monthly statement of estimated revenues; latest published estimate.

Sec. 499. (1) At least 60 days before the end of the fiscal year, the director shall issue to all state agencies a closing schedule which shall list the dates by which financial information must be submitted to the department. The director may issue, from time to time, directives concerning the procedures to be followed by state agencies during the fiscal year end closing process.

(2) An appropriation transfer made for the purpose of increasing general fund revenues appropriated to offset an actual shortfall in appropriated federal or state restricted revenues shall not be effective unless the transfer is approved within 60 days after the end of the fiscal year. An appropriation transfer made for the purpose of increasing the gross appropriation level of an appropriation line item shall not be effective unless the transfer is approved within 60 days after the end of the fiscal year.

(3) For purposes of the closing, the monthly statement of estimated revenues for the month ending November 30, and submitted pursuant to section 386, shall be used, along with the latest published estimate available at that date for funds not included in the monthly financial report.
